March
2011
OF THE LIVING INTERNATIONAL
In Association with Central Agencies of Jewish Education Youth Movements and Organizations

An International Educational Program

On May 2, 2011, thousands of Jewish teens, from countries all around the world, will share in a once in a lifetime experience when they march three kilometers from Auschwitz to Birkenau, the largest concentration camp complex built by the Nazis during World War II. The **March** commemorates **Yom Hashoah**, Holocaust Remembrance Day. You can be there – along with over 8,000 participants who will be part of this historic event.

As one of the Marchers, you will retrace the steps of the March of Death, the actual route which countless numbers of our people were forced to take on their way to the gas chambers at Birkenau. You will experience Jewish history where it was made. This time, however, there will be a difference. It will be a **March** of the Living with thousands of Jewish youth, like yourself, marching shoulder to shoulder. You will participate in a memorial service at one of the gas chambers/crematoria, in Birkenau, which will conclude with the singing of Hatikvah, reaffirming Am Yisrael Chai – The Jewish People Live. From Poland, you will fly to Israel to join the entire Jewish community in celebrating **Yom Ha'atzmaut**, Israel's 63rd Independence Day, on May 10. You will participate in a week of unforgettable experiences.

Unforgettable Moments

Yom Hashoah and **Yom Ha'atzmaut** are two of the most important days in modern Jewish times. By taking part in these special events, you will share unforgettable moments in Jewish history and bear witness to the undying spirit of the Jewish people. Like those who participated in the last twenty Marches (held in 1988, 1990, 1992, 1994, 1995, 1996, 1997, 1998, 1999, 2000, 2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008, 2009 & 2010), you will return home with a new sense of yourself, your people and your history. It will be an experience that will remain with you for a lifetime.

A Study in Contrasts

Your stay in Poland and Israel will be a study in contrasts. In Poland you will search for traces of a world that no longer exists. You will discover that, of the hundreds of Jewish schools, synagogues and institutions that once existed in Warsaw before the war, there remains a sparsely attended synagogue (used by the Nazis as a stable during the war) and a centuries-old Jewish cemetery, left relatively untouched by the Nazis during their occupation of Warsaw. You will also see a new resurgence of Jewish culture with synagogues, schools, organizations and youth groups. Like many others you may leave Poland still wondering how it was possible for the destruction of an entire generation of Jews to occur – you will pledge to keep their memory alive. In Israel, you will encounter a country that is striving valiantly to keep the age-old flame of Jewish nationhood alive. On **Yom Hazikaron**, Israel's Memorial Day, you will join together with all of Israel as they mourn their

fallen soldiers and victims of terror and on **Yom Ha'atzmaut** you will celebrate Israel's independence along with the entire country. Poland and Israel; the richness and anguish of our past; the hope of our future. This experience will help you understand how important both aspects are to your identity as a Jewish teenager living in the 21st century.

North America Participation

Approximately 3,000 Jewish high school students, from every religious and educational background, and every part of North America, will participate. This group will be accompanied by adults, including educators, survivors, medical professionals, political and community leaders.

World Wide Participation

The **March of the Living** will bring together Jewish teens from over 40 countries and regions around the world including Israel, USA, Canada, Mexico, Australia, Argentina, Brazil, Panama, South Africa, France, Sweden, Hungary and Poland. You will have an opportunity to meet some of these teenagers. Together you will share moments of sadness and joy and create long-lasting bonds.

In Poland

You will visit the concentration camps of Auschwitz-Birkenau, Treblinka and Majdanek. You will also visit historic Jewish sites in Warsaw, (the Ghetto Memorial, Mila 18, the Jewish Cemetery, the restored Nozyk Synagogue) Cracow (the Jewish Quarter, the Ramah Synagogue) and Lublin (the famous Yeshiva). The highlight will be the **March of the Living**.

In Israel

During your stay in Israel you will take part in many special events organized specifically for participants of the **March**.

You will visit a number of exciting locations and ancient sites, such as Jerusalem, Masada, Tel Aviv, the Golan Heights, the Galilee, the Negev and more. On May 10, Israel's 63rd Independence Day, all of the groups, from around the world, will join thousands of Israelis in this national celebration.
